Changing Times: Media and Technology: Living in the Age of “Buy-Me” TV and Cybershopping 17

The Beginnings of Sociology in the United States 21

Contemporary Theoretical Perspectives 22

Functionalist Perspectives 22

Conflict Perspectives 23

Symbolic Interactionist Perspectives 25

You Can Make a Difference: Taking a Stand Against Overspending 26

Postmodern Perspectives 28

2 Sociological Research Methods 32

Why Is Sociological Research Necessary? 34

Common Sense and Sociological Research 34

Sociology and Scientific Evidence 34

Sociology and Everyday Life: How Much Do You Know About Suicide? 35

The Theory and Research Cycle 35

Changing Times: Media and Technology: The Heaven's Gate Suicide and the Internet 37

The Sociological Research Process 38

The "Conventional" Research Model 40

A Qualitative Research Model 43

Research Methods 45

Survey Research 45

Secondary Analysis of Existing Data 48

Field Research 51

Experiments 54

Multiple Methods: Triangulation 57

Ethical Issues in Sociological Research 59

The ASA Code of Ethics 59

The Zellner Research 60

The Humphreys Research 60

The Scarce Research 60

You Can Make a Difference: Responding to a Cry for Help 61

3 Culture 65

Sociology and Everyday Life: How Much Do You Know About Culture and Intolerance Toward Others? 67

Culture and Society 67

The Importance of Culture in a Changing World 67

Material Culture and Nonmaterial Culture 69

Cultural Universals 71

Components of Culture 72

Symbols 72

Language 73

Values 77

Norms 80

Popular Culture 81

High Culture and Popular Culture 81

Popular Culture and Leisure 82

Cultural Change and Diversity 83

Cultural Change 83

Changing Times: Media and Technology: Popular Culture in the High-Tech Age: Elvis and Princess Diana as Media Icons 84

Cultural Diversity 85

Sociology in Global Perspective: Popular Culture, the Internet, and Cultural Imperialism 86

Culture Shock 90

Ethnocentrism 91

Cultural Relativism 91

Sociological Analysis of Culture 92

Functionalist Perspectives 92

Conflict Perspectives 92

Symbolic Interactionist Perspectives 93

Postmodernist Perspectives 94

Culture in the Future 95

You Can Make a Difference: Understanding People from Other Cultures 96

4 Socialization 99

Why Is Socialization Important Around the Globe? 101

Sociology and Everyday Life: How Much Do You Know About Early Socialization and Child Care? 101

Human Development: Biology and Society 102

Problems Associated with Social Isolation and Maltreatment 104

Psychological Theories of Human Development 105

Freud and the Psychoanalytic Perspective 105

Erikson and Psychosocial Development 105

Piaget and Cognitive Development 107

Kohlberg and the Stages of Moral Development 108

Gilligan's View on Gender and Moral Development 109

Sociological Theories of Human Development 109

Cooley, Mead, and Symbolic Interactionist Perspectives 110

Recent Symbolic Interactionist Perspectives 113

Ecological Perspectives 113

Agents of Socialization 114

The Family 114

The School 115

Peer Groups 116

Mass Media 118

Gender and Racial–Ethnic Socialization 119

Changing Times: Media and Technology:
*Now Playing: Babes in Media Culture and
Cyberspace* 120

Socialization Through the Life Course 121
Infancy and Childhood 121

Sociology in Global Perspective: *Living in
Two Worlds at Once: How Some Immigrants
Learn to Cope with Dual Identities* 122

Adolescence 122
Adulthood 123

Resocialization 124

Voluntary Resocialization 124
Involuntary Socialization 124

You Can Make a Difference: *Helping a Child
Reach Adulthood* 125

Socialization in the Future 125

Part 2 Social Groups and Social Control

5 Society, Social Structure, and Interaction 129

Social Structure: The Macrolevel
Perspective 131

Sociology and Everyday Life: *How Much Do
You Know About Homeless Persons?* 131

Components of Social Structure 133

Status 133

Roles 136

Groups 139

Social Institutions 140

**Societies, Technology, and Sociocultural
Change** 141

Hunting and Gathering Societies 141

Horticultural and Pastoral Societies 142

Agrarian Societies 143

Industrial Societies 145

Postindustrial Societies 146

Stability and Change in Societies 148

Durkheim: Mechanical and
Organic Solidarity 148

Tönnies: *Gemeinschaft* and *Gesellschaft* 148

Social Structure and Homelessness 149

Versus Public Space* 150

**Social Interaction: The Microlevel
Perspective** 150

Social Interaction and Meaning 151

The Social Construction of Reality 151

Ethnomethodology 152

Changing Times: Media and Technology:
The Homeless and the Holidays 153

Dramaturgical Analysis 154

The Sociology of Emotions 156

Nonverbal Communication 157

**Future Changes in Society, Social
Structure, and Interaction** 159

You Can Make a Difference: *Overcoming
Compassion Fatigue* 160

6 Groups and Organizations 163

Sociology and Everyday Life: *How Much Do
You Know About Sexual Harassment?* 165

Social Groups 166

Groups, Aggregates, and Categories 167

Types of Groups 167

Group Characteristics 169

Group Size 169

Group Leadership 170

Group Dynamics 172

Group Conformity 172

- You Can Make a Difference: *Confronting Sexual Harassment in Organizations*** 176
- Groupthink 176
- Social Exchange/Rational Choice Theories 177
- Formal Organizations in Global Perspective** 178
- Types of Formal Organizations 179
- Bureaucracies 180
- Sociology in Global Perspective: *Sexual Harassment in Cyberspace*** 183
- Shortcomings of Bureaucracies 185
- Changing Times: Media and Technology: *The 5 Percent Factor: Sexual Harassment, Media Style*** 189
- Bureaucracy and Oligarchy 190
- Alternative Forms of Organization** 190
- Organizational Structure in Japan 190
- Organizations in the Future 192
- 7 Deviance and Crime** 195
- What Is Deviance? 197
- Sociology and Everyday Life: *How Much Do You Know About Peer Cliques, Youth Gangs, and Deviance?*** 197
- Who Defines Deviance? 199
- What Is Social Control? 200
- Functionalist Perspectives on Deviance** 200
- What Causes Deviance, and Why Is It Functional for Society? 200
- Strain Theory: Goals and Means to Achieve Them 201
- Opportunity Theory: Access to Illegitimate Opportunities 203
- Symbolic Interactionist Perspectives on Deviance** 204
- Differential Association Theory and Differential Reinforcement Theory 204
- Rational Choice Theory 205
- Control Theory: Social Bonding 205
- Labeling Theory 206
- Conflict Perspectives on Deviance** 207
- Deviance and Power Relations 207
- Deviance and Capitalism 207
- Feminist Approaches 209
- Approaches Focusing on Race, Class, and Gender 209
- Postmodernist Perspectives on Deviance** 210
- Crime Classifications and Statistics** 211
- How the Law Classifies Crime 211
- How Sociologists Classify Crime 211
- Changing Times: Media and Technology: *Portrayals of Youths and Violence in the Media*** 214
- Crime Statistics 217
- Street Crimes and Criminals 217
- Crime Victims 220
- The Criminal Justice System** 221
